The following constitutes an unsportsmanlike foul:

- Not a legitimate attempt to make a direct play on the ball
- Contact designed to negate an opponent's obvious advantageous position.
- Contact away from the ball against an opponent who is clearly not involved with the play, designed to stop the game clock or prevent it from starting.

- Illegal contact caused by the swinging of an elbow that is deemed excessive or unnecessary.

- **Disqualifying Foul (10-14)**

Terminology: A disqualifying foul is a flagrant unsporting action by a player or bench personnel.

- When it is a contact foul, the contact is violent and/or severe.
- When it is a non-contact foul, the unacceptable conduct of the individual is judged to be persistent, extreme, vulgar and/or abusive.

- **Disqualifying Foul (1 0-14) (Formerly Flagrant II Personal/Technical Foul)**

- **Penalty:** Two free throws to any member of the offended team plus a throw-in at the division line opposite the scorer's table.

- **Guidelines for Officiating Unsportsmanlike and Disqualifying Fouls**

1. The severity of the contact caused by the fouler.
2. Whether the fouler's contact may be considered a legitimate basketball play. **Note:** A foul that is considered a legitimate basketball play may still be ruled an unsportsmanlike or disqualifying foul if other criteria are applicable)
3. When the fouler commits a foul with her arm or hand, whether she winds up prior to contact or follows through after making contact.
4. The severity of any injury suffered by the offended player.
5. The outcome of the contact.

- **Equal Penalties (7-4.14)**

In the same stopped-clock period that follows an infraction, when additional fouls are committed, fouls of "equal gravity" are charged and penalties cancelled in the order in which the fouls occur.

- **Cancellation of Equal Penalties**

- All fouls are charged and penalties identified
- Determine the order the fouls were committed
- All equal penalties against opposing teams are cancelled in the order the fouls were called
- The right to possession of the ball as part of the last penalty shall cancel any prior rights to the ball.
- Equal penalties may be cancelled only when they occur during the same dead-ball period
- When all foul penalties cancel, play resumes at POI
- When there are penalties left to be administered, they are administered in the order in which the fouls occurred.
 - Play resumes as if the last single unsportsmanlike, disqualifying foul for excessive timeout were the only foul committed.

- **Equal Penalties (7-4. 14)**

- When the infraction which stops play consists of fouls of "equal gravity" by opponents, the fouls are charged and the penalties cancelled.
- When a single foul causes play to stop, that foul may not be part of any cancellation of equal penalties.

- **Three Seconds (9-9)**

In order for a player who has been in the three second lane to establish a position outside the lane, she must touch the playing court with both feet outside the lane

- **10 Seconds in the Backcourt (9-10)**
